The \$3.25 million capital campaign offers unique opportunities for legacy gifts of \$25,000 to \$1,000,000. Making a commemorative gift offers the opportunity to give back to the community while honoring a unique individual, your family, company, organization, or to leave a legacy of your own. Your gift will inspire others to give more generously and will affirm the work Fr. John Phalen C.S.C. started in 1973 with the founding of La Casa de Amistad to support the Latino community.
